8	Neighbourhood Plan				
1	The Independent Examiner has produced his Stage 2 report on our neighbourhood plan. This can be viewed on www.bncommunityplan.co.uk or www.dorsetforyou.com .				
	The Parish Council has grave concerns that the modifications proposed by the Independent Examiner will not deliver the proposed affordable housing for our community, which is the main aim of our neighbourhood plan. There are other modifications he has made which we also feel go against the whole spirit of neighbourhood planning.				
	Jo Witherden attended the meeting to talk through the options available. A meeting with West Dorset District Council planning officers has been arranged for 17th July to try and overcome these issues. After lengthy discussion it was decided that the Parish Council would meet again after this meeting.
