## Buying someone a drone this Christmas?

Planning on getting someone a drone #ThisChristmas?

Help them get to 400 feet by signing them up to one of our 'Safer Drones' courses in January held in Ferndown.

For more information click on the below attachment and to sign up, email: [saferdrones@dorset.pnn.police.uk](mailto:saferdrones@dorset.pnn.police.uk)

Poster for 'Safer Drones' course. The top part shows a drone flying over a landscape with the text 'Safer skies with SAFER DRONES'. Below this, the text reads: 'A course to understand how to fly your drone safely, legally and responsibly'. A list of bullet points follows: 'The topics covered include the law, pilot responsibilities, privacy, the drone code and more', 'Opportunity to speak to police drone operators', '£20.00 for a 3 hour course, including refreshments and a certificate', 'Minimum age 14 (under 16's need to be accompanied by an adult but only the child pays)', and 'Saturday 13 January or Sunday 28 January in Plymouth & Ferndown, with other dates and venues to follow.' At the bottom, there is a Dorset Police logo and contact information: 'For more information contact saferdrones@dorset.pnn.police.uk www.saferdrones.co.uk @Safer\_Drones'.
