Good Morning

Good Morning,

Do you live in a rural area of Dorset?

Do you work in a rural occupation?

Do you like to walk, cycle or ride your horse in the wonderful Dorset countryside?

If the answers yes to any of the above then we need your help in order to help you!

If you were a victim of a rural crime would you report it to Dorset Police?

If crime or incidents happen and are not reported to Police, it's not recorded and it hasn't happened and we cannot begin to help fix the problems.

We need our rural communities help to fight rural crime and this starts by telling us what's happened and where.

After all our rural communities know the rural areas better than anyone else. If you hear or see anything suspicious please report this.

This information can be recorded, investigated and crime prevention advice offered and other prevention tools we have at our disposal to stop this happening again.

In this year's [National Rural Crime Network](http://www.nationalruralcrimenetwork.net) Survey around a third of rural crime wasn't reported to Police. The full report can be read here: <http://www.nationalruralcrimenetwork.net>

If our rural people don't report crime, incidents or suspicious circumstances to Dorset Police we cannot begin to help our rural communities that we serve across Dorset.

Remember if it's not reported and recorded then in the eyes of the Police it

hasn't happened unless you tell us.

Reporting can be done by calling 101, emailing 101@dorset.pnn.police.uk or alternatively visiting our website at <https://www.dorset.police.uk/do-it-online/>

If you wish to remain anonymous then please call Rural Crimestoppers on 0800 783 0137 or by visiting www.ruralcrimereportingline.uk

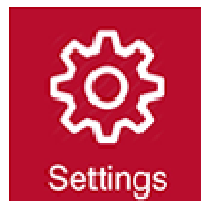

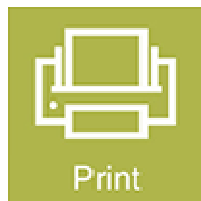

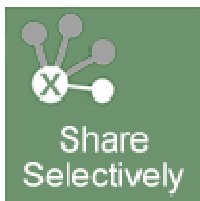

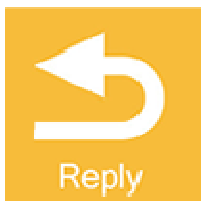

Please help us to spread this message across Dorset by sharing this email with your friends and work colleagues.

Thank you.
